| Isotype                     | IgG                                                                                                                                                                                                         |
| Conjugate                   | HRP                                                                                                                                                                                                         |
| Purity                      | Peptide affinity purified                                                                                                                                                                                   |
| Buffer                      | PBS                                                                                                                                                                                                         |
| Product Description         |                                                                                                                                                                                                             |
| Host                        | Rabbit                                                                                                                                                                                                      |
| Gene ID                     | 29799                                                                                                                                                                                                       |
| Gene Symbol                 | YPEL1                                                                                                                                                                                                       |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                           |
| Reactivity Notes            | 0                                                                                                                                                                                                           |
| Immunogen                   | Antibody was raised against a 11 amino acid synthetic peptide near the amino terminus of human YPEL1. The immunogen is located within the first 50 amino acids of YPEL1. Amino Acid Sequence: AAVKMTKSKTFQA |
| Product Application Details |                                                                                                                                                                                                             |
| Applications                | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence                                                                                                                                                 |
| Recommended Dilutions       | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence                                                                                                                                                 |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                      |
