| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                        |
| Isotype                     | IgG                                                                                                                                                                                                       |
| Conjugate                   | FITC                                                                                                                                                                                                      |
| Purity                      | Peptide affinity purified                                                                                                                                                                                 |
| Buffer                      | PBS                                                                                                                                                                                                       |
| Product Description         |                                                                                                                                                                                                           |
| Host                        | Rabbit                                                                                                                                                                                                    |
| Gene ID                     | 388403                                                                                                                                                                                                    |
| Gene Symbol                 | YPEL2                                                                                                                                                                                                     |
| Species                     | Human, Mouse                                                                                                                                                                                              |
| Reactivity Notes            | 0                                                                                                                                                                                                         |
| Immunogen                   | Antibody was raised against a 17 amino acid synthetic peptide near the amino terminus of human YPEL2. The immunogen is located within amino acids 30 - 80 of YPEL2. Amino Acid Sequence: SNPMPQTGEVYPAPGS |
| Product Application Details |                                                                                                                                                                                                           |
| Applications                | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence                                                                                                                                               |
| Recommended Dilutions       | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence                                                                                                                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                    |
