| Clonality                   | Polyclonal                                                                                                                                                                                          |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                  |
| Isotype                     | IgG                                                                                                                                                                                                 |
| Conjugate                   | DyLight 488                                                                                                                                                                                         |
| Purity                      | Peptide affinity purified                                                                                                                                                                           |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                  |
| Product Description         |                                                                                                                                                                                                     |
| Host                        | Rabbit                                                                                                                                                                                              |
| Gene ID                     | 54986                                                                                                                                                                                               |
| Gene Symbol                 | ULK4                                                                                                                                                                                                |
| Species                     | Human, Mouse                                                                                                                                                                                        |
| Reactivity Notes            | 0                                                                                                                                                                                                   |
| Specificity/Sensitivity     | Multiple isoforms of ULK4 are known to exist.                                                                                                                                                       |
| Immunogen                   | Antibody was raised against a 16 amino acid peptide near the carboxy terminus of human ULK4. The immunogen is located within amino acids 1120 - 1170 of ULK4. Amino Acid Sequence: AQKSGSGEDPQAAEDL |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                   |
| Product Application Details |                                                                                                                                                                                                     |
| Applications                | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                    |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin                                                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                              |
