| Clonality                   | Monoclonal                                                                                                                                                                   |
| Clone                       | 3E9H5                                                                                                                                                                        |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                           |
| Isotype                     | IgG2b                                                                                                                                                                        |
| Conjugate                   | PE                                                                                                                                                                           |
| Purity                      | Affinity purified                                                                                                                                                            |
| Buffer                      | PBS                                                                                                                                                                          |
| Product Description         |                                                                                                                                                                              |
| Host                        | Mouse                                                                                                                                                                        |
| Species                     | Virus                                                                                                                                                                        |
| Immunogen                   | Antibody was raised against a synthetic peptide containing the sequence specific to the novel S-OIV A H1N1 strain hemagglutinin protein. Amino Acid Sequence: STSADQQSLYQNAD |
| Product Application Details |                                                                                                                                                                              |
| Applications                | ELISA                                                                                                                                                                        |
| Recommended Dilutions       | ELISA                                                                                                                                                                        |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                       |
