| Storage                     | Store at 4C in the dark.                                                                                                                                                                              |
| Clonality                   | Polyclonal                                                                                                                                                                                            |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                    |
| Isotype                     | IgG                                                                                                                                                                                                   |
| Conjugate                   | FITC                                                                                                                                                                                                  |
| Purity                      | Immunogen affinity purified                                                                                                                                                                           |
| Buffer                      | PBS                                                                                                                                                                                                   |
| Product Description         |                                                                                                                                                                                                       |
| Host                        | Rabbit                                                                                                                                                                                                |
| Gene ID                     | 114883                                                                                                                                                                                                |
| Gene Symbol                 | OSBPL9                                                                                                                                                                                                |
| Species                     | Human                                                                                                                                                                                                 |
| Immunogen                   | The epitope recognized by this antibody maps to a region between residue 250 to 300 of human Oxysterol-binding protein-related protein 9 using the numbering given in entry Q96SU4.2 (GeneID 114883). |
| Product Application Details |                                                                                                                                                                                                       |
| Applications                | Western Blot, Immunoprecipitation                                                                                                                                                                     |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                                                                                                                                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                |
