| Clonality                   | Polyclonal                                                                                                                                                          |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                  |
| Isotype                     | IgG                                                                                                                                                                 |
| Conjugate                   | DyLight 488                                                                                                                                                         |
| Purity                      | Immunogen affinity purified                                                                                                                                         |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                  |
| Product Description         |                                                                                                                                                                     |
| Host                        | Rabbit                                                                                                                                                              |
| Gene ID                     | 151011                                                                                                                                                              |
| Gene Symbol                 | SEPT10                                                                                                                                                              |
| Species                     | Human                                                                                                                                                               |
| Immunogen                   | The epitope recognized by this antibody maps to a region between residue 404 to 454 of human Septin-10 using the numbering given in entry Q9P0V9.2 (GeneID 151011). |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                   |
| Product Application Details |                                                                                                                                                                     |
| Applications                | Western Blot, Immunoprecipitation                                                                                                                                   |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                                                                                                   |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                              |
