Calretinin Antibody (3G9) [Janelia Fluor® 585]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 3G9                                                                                         |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1                                                                                        |
| Conjugate           | Janelia Fluor 585                                                                           |
| Purity              | Immunogen affinity purified                                                                 |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description |                                                                                                    |
|---------------------|----------------------------------------------------------------------------------------------------|
| Host                | Mouse                                                                                              |
| Gene ID             | 794                                                                                                |
| Gene Symbol         | CALB2                                                                                              |
| Species             | Human, Mouse, Rat                                                                                  |
| Immunogen           | Full-length recombinant human Calretinin expressed in and purified from E. coli. [UniProt# P22676] |
| Notes               | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.              |

| Product Application Details |                                                                                                                 |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------|
| Applications                | Western Blot, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry, Immunohistochemistry Free-Floating |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry Free-Floating |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                          |
