CLEC-2/CLEC-1B Antibody (AYP1) [Janelia Fluor® 635]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | AYP1                                                                                        |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1                                                                                        |
| Conjugate           | Janelia Fluor 635                                                                           |
| Purity              | Protein A purified                                                                          |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description |                                                                                                                            |
|---------------------|----------------------------------------------------------------------------------------------------------------------------|
| Host                | Mouse                                                                                                                      |
| Gene ID             | 51266                                                                                                                      |
| Gene Symbol         | CLEC1B                                                                                                                     |
| Species             | Human                                                                                                                      |
| Immunogen           | A recombinant extracellular fragment of human CLEC-2/CLEC-1B (aa 68-229), which is the extracellular domain of the protein |
| Notes               | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                      |

| Product Application Details |                                                                                                       |
|-----------------------------|-------------------------------------------------------------------------------------------------------|
| Applications                | Flow Cytometry, Functional, Immunocytochemistry/ Immunofluorescence, Immunoprecipitation, CyTOF-ready |
| Recommended Dilutions       | Flow Cytometry, Immunocytochemistry/ Immunofluorescence, Immunoprecipitation, Functional, CyTOF-ready |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                |
