**NBP2-50358DL594****Vascular Endothelium Marker Antibody (10) [DyLight 594]**

| <b>Product Information</b> |                                                                                             |
|----------------------------|---------------------------------------------------------------------------------------------|
| <b>Unit Size</b>           | 0.1 ml                                                                                      |
| <b>Concentration</b>       | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>             | Store at 4C in the dark.                                                                    |
| <b>Clonality</b>           | Monoclonal                                                                                  |
| <b>Clone</b>               | 10                                                                                          |
| <b>Preservative</b>        | 0.05% Sodium Azide                                                                          |
| <b>Isotype</b>             | IgM                                                                                         |
| <b>Conjugate</b>           | DyLight 594                                                                                 |
| <b>Purity</b>              | Protein G purified                                                                          |
| <b>Buffer</b>              | 50mM Sodium Borate                                                                          |

| <b>Product Description</b>     |                                                                                   |
|--------------------------------|-----------------------------------------------------------------------------------|
| <b>Host</b>                    | Mouse                                                                             |
| <b>Species</b>                 | Human                                                                             |
| <b>Specificity/Sensitivity</b> | Reacts specifically with vascular endothelium and no other tissue.                |
| <b>Immunogen</b>               | Fibronectin-purified human monocytes.                                             |
| <b>Notes</b>                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries. |

| <b>Product Application Details</b> |                                                                        |
|------------------------------------|------------------------------------------------------------------------|
| <b>Applications</b>                | Immunohistochemistry                                                   |
| <b>Recommended Dilutions</b>       | Immunohistochemistry                                                   |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined. |
