CFTR Antibody (CFTR/1644) [DyLight 594]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | CFTR/1644                                                                                   |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1                                                                                        |
| Conjugate           | DyLight 594                                                                                 |
| Purity              | Protein A or G purified                                                                     |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description |                                                                                   |
|---------------------|-----------------------------------------------------------------------------------|
| Host                | Mouse                                                                             |
| Gene ID             | 1080                                                                              |
| Gene Symbol         | CFTR                                                                              |
| Species             | Human                                                                             |
| Immunogen           | Recombinant human CFTR fragment (aa258-385) (exact sequence is proprietary)       |
| Notes               | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries. |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | ELISA, Immunocytochemistry/Immunofluorescence                          |
| Recommended Dilutions       | ELISA, Immunocytochemistry/Immunofluorescence                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
