Listeria monocytogenes antigen 2 Antibody (2-13 C5) [Janelia Fluor® 585]

| Product Information         |                                                                                                    |
|-----------------------------|----------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                             |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.        |
| Storage                     | Store at 4C in the dark.                                                                           |
| Clonality                   | Monoclonal                                                                                         |
| Clone                       | 2:13 C5                                                                                            |
| Preservative                | 0.05% Sodium Azide                                                                                 |
| Isotype                     | IgG1 Kappa                                                                                         |
| Conjugate                   | Janelia Fluor 585                                                                                  |
| Purity                      | Protein A purified                                                                                 |
| Buffer                      | 50mM Sodium Borate                                                                                 |
| Product Description         |                                                                                                    |
| Host                        | Mouse                                                                                              |
| Species                     | Bacteria                                                                                           |
| Reactivity Notes            | L. monocytogenes                                                                                   |
| Specificity/Sensitivity     | Specific for Listeria monocytogenes, not reactive for S. aureus, S. faecalis, B. subtilis, E. coli |
| Immunogen                   | Listeria monocytogenes antigen 2 protein                                                           |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.              |
| Product Application Details |                                                                                                    |
| Applications                | Western Blot, ELISA                                                                                |
| Recommended Dilutions       | Western Blot, ELISA                                                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                             |
