**NBP2-59698PCP**

CD74 Antibody (6D9) [PerCP]

| Product Information         |                                                                                                                                 |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                          |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                     |
| Storage                     | Store at 4C in the dark.                                                                                                        |
| Clonality                   | Monoclonal                                                                                                                      |
| Clone                       | 6D9                                                                                                                             |
| Preservative                | 0.05% Sodium Azide                                                                                                              |
| Isotype                     | IgG1                                                                                                                            |
| Conjugate                   | PerCP                                                                                                                           |
| Purity                      | Protein G purified                                                                                                              |
| Buffer                      | PBS                                                                                                                             |
| Product Description         |                                                                                                                                 |
| Host                        | Mouse                                                                                                                           |
| Gene ID                     | 972                                                                                                                             |
| Gene Symbol                 | CD74                                                                                                                            |
| Species                     | Human                                                                                                                           |
| Specificity/Sensitivity     | Detects approx 50kDa. No cross-reactivity against rat Cab Beta1b, Cav beta2a, and Cav betas3 in transfected cells.              |
| Immunogen                   | Synthetic peptide corresponding to the N-terminal (1-100 aa) of human CD74 conjugated to KLH. Overlaps 100% with all 3 isoforms |
| Product Application Details |                                                                                                                                 |
| Applications                | Western Blot, Immunocytochemistry/ Immunofluorescence                                                                           |
| Recommended Dilutions       | Western Blot, Immunocytochemistry/ Immunofluorescence                                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                          |
