|------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Unit Size</b>                   | 0.1 ml                                                                                                                                                  |
| <b>Concentration</b>               | Please see the vial label for concentration. If unlisted please contact technical services.                                                             |
| <b>Storage</b>                     | Store at 4C in the dark.                                                                                                                                |
| <b>Clonality</b>                   | Polyclonal                                                                                                                                              |
| <b>Preservative</b>                | 0.05% Sodium Azide                                                                                                                                      |
| <b>Isotype</b>                     | IgG                                                                                                                                                     |
| <b>Conjugate</b>                   | Biotin                                                                                                                                                  |
| <b>Purity</b>                      | Peptide affinity purified                                                                                                                               |
| <b>Buffer</b>                      | PBS                                                                                                                                                     |
| <b>Product Description</b>         |                                                                                                                                                         |
| <b>Host</b>                        | Rabbit                                                                                                                                                  |
| <b>Gene ID</b>                     | 64420                                                                                                                                                   |
| <b>Gene Symbol</b>                 | SUSD1                                                                                                                                                   |
| <b>Species</b>                     | Human                                                                                                                                                   |
| <b>Reactivity Notes</b>            | 0                                                                                                                                                       |
| <b>Specificity/Sensitivity</b>     | SUSD1 Antibody is predicted to not cross-react with other SUSDfamily members.                                                                           |
| <b>Immunogen</b>                   | SUSD1 antibody was raised against a peptide corresponding to 14 amino acids near the amino terminus of human SUSD1. Amino Acid Sequence: LRITSEWNKVRHRS |
| <b>Product Application Details</b> |                                                                                                                                                         |
| <b>Applications</b>                | Western Blot, ELISA                                                                                                                                     |
| <b>Recommended Dilutions</b>       | Western Blot, ELISA                                                                                                                                     |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                                                  |
