LRP-1 Antibody [Janelia Fluor® 549]

| Product Information         |                                                                                                                 |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                          |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                     |
| Storage                     | Store at 4C in the dark.                                                                                        |
| Clonality                   | Polyclonal                                                                                                      |
| Preservative                | 0.05% Sodium Azide                                                                                              |
| Isotype                     | IgG                                                                                                             |
| Conjugate                   | Janelia Fluor 549                                                                                               |
| Purity                      | Peptide affinity purified                                                                                       |
| Buffer                      | 50mM Sodium Borate                                                                                              |
| Product Description         |                                                                                                                 |
| Host                        | Rabbit                                                                                                          |
| Gene ID                     | 4035                                                                                                            |
| Gene Symbol                 | LRP1                                                                                                            |
| Species                     | Human, Mouse, Rat                                                                                               |
| Specificity/Sensitivity     | Detects 80 kDa. Band at 80 kDa is a membrane spanning subunit.                                                  |
| Immunogen                   | Synthetic peptide from the N-terminal of Human Low-density lipoprotein receptor-related protein 1 (aa. 160-260) |
| Product Application Details |                                                                                                                 |
| Applications                | Western Blot, Immunohistochemistry                                                                              |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                                              |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                          |
