Caspase-4 Antibody (OTI4A2) [Janelia Fluor® 525]

| Product Information         |                                                                                                                       |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                           |
| Storage                     | Store at 4C in the dark.                                                                                              |
| Clonality                   | Monoclonal                                                                                                            |
| Clone                       | OTI4A2                                                                                                                |
| Preservative                | 0.05% Sodium Azide                                                                                                    |
| Isotype                     | IgG1                                                                                                                  |
| Conjugate                   | Janelia Fluor 525                                                                                                     |
| Purity                      | Immunogen affinity purified                                                                                           |
| Buffer                      | 50mM Sodium Borate                                                                                                    |
| Product Description         |                                                                                                                       |
| Host                        | Mouse                                                                                                                 |
| Gene ID                     | 837                                                                                                                   |
| Gene Symbol                 | CASP4                                                                                                                 |
| Species                     | Human                                                                                                                 |
| Immunogen                   | Human recombinant protein fragment corresponding to amino acids 81-270 of human CASP4 (NP_150649) produced in E.coli. |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                 |
| Product Application Details |                                                                                                                       |
| Applications                | Western Blot                                                                                                          |
| Recommended Dilutions       | Western Blot                                                                                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                |
