**NBP2-71035PCP**

4-1BB/TNFRSF9/CD137 Antibody (OTI5H5) [PerCP]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | OTI5H5                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1                                                                                        |
| Conjugate           | PerCP                                                                                       |
| Purity              | Immunogen affinity purified                                                                 |
| Buffer              | PBS                                                                                         |

| Product Description |                                                                                                                         |
|---------------------|-------------------------------------------------------------------------------------------------------------------------|
| Host                | Mouse                                                                                                                   |
| Gene ID             | 3604                                                                                                                    |
| Gene Symbol         | TNFRSF9                                                                                                                 |
| Species             | Human                                                                                                                   |
| Immunogen           | Human recombinant protein fragment corresponding to amino acids 24-186 of human TNFRSF9 (NP_001552) produced in E.coli. |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot                                                           |
| Recommended Dilutions       | Western Blot                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
