### NBP2-71488CL1

**Application Notes** 

ERp72 Antibody (OTI2B9) [CoraFluor™ 1]

| ERp72 Antibody (OTI2B9) [CoraFluor™ 1] |   |
|--|---|
| Product Information                    |   |
| Unit Size                              | 0.1 ml  |
| Concentration                          | Please see the vial label for concentration. If unlisted please contact technical services.   |
| Storage                                | Store at 4C in the dark. Do not freeze.   |
| Clonality                              | Monoclonal  |
| Clone                                  | OTI2B9  |
| Preservative                           | No Preservative   |
| Isotype                                | IgG1  |
| Conjugate                              | CoraFluor 1   |
| Purity                                 | Immunogen affinity purified   |
| Buffer                                 | PBS   |
| Product Description                    |   |
| Host                                   | Mouse   |
| Gene ID                                | 9601  |
| Gene Symbol                            | PDIA4   |
| Species                                | Human, Mouse, Rat, Canine, Primate, Monkey  |
| Reactivity Notes                       | Please note that this antibody is reactive to Mouse and derived from the same host, Mouse. Mouse-On-Mouse blocking reagent may be needed for IHC and ICC experiments to reduce high background signal. You can find these reagents under catalog numbers PK-2200-NB and MP-2400-NB. Please contact Technical Support if you have any questions. |
| Immunogen                              | Full length human recombinant protei of human PDIA4(NP_004902) produced in HEK293T cell.  |
| Notes                                  | CoraFluor (TM) is a trademark of Bio-Techne Corp. Sold for research purposes only under agreement from Massachusetts General Hospital. US patent 2022/0025254   |
| Product Application Details            |   |
| Applications                           | Western Blot, Immunohistochemistry  |
| Recommended Dilutions                  | Western Blot, Immunohistochemistry  |
|  |   |

Optimal dilution of this antibody should be experimentally determined.
