**NBP2-71525APC**

CAR/NR1I3 Antibody (OTI1C6) [Allophycocyanin]

| Product Information         |                                                                                                                         |
|-----------------------------|-------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                  |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                             |
| Storage                     | Store at 4C in the dark.                                                                                                |
| Clonality                   | Monoclonal                                                                                                              |
| Clone                       | OTI1C6                                                                                                                  |
| Preservative                | 0.05% Sodium Azide                                                                                                      |
| Isotype                     | IgG1                                                                                                                    |
| Conjugate                   | Allophycocyanin                                                                                                         |
| Purity                      | Immunogen affinity purified                                                                                             |
| Buffer                      | PBS                                                                                                                     |
| Product Description         |                                                                                                                         |
| Host                        | Mouse                                                                                                                   |
| Gene ID                     | 9970                                                                                                                    |
| Gene Symbol                 | NR1I3                                                                                                                   |
| Species                     | Human                                                                                                                   |
| Immunogen                   | Human recombinant protein fragment corresponding to amino acids 1-236 of human NR1I3 (NP_001070950) produced in E.coli. |
| Product Application Details |                                                                                                                         |
| Applications                | Western Blot, Immunohistochemistry                                                                                      |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                  |
