| <b>Host</b>             | Mouse                                                                                                                                                                                                                                                                                                                                           |
| <b>Gene ID</b>          | 5605                                                                                                                                                                                                                                                                                                                                            |
| <b>Gene Symbol</b>      | MAP2K2                                                                                                                                                                                                                                                                                                                                          |
| <b>Species</b>          | Human, Mouse, Rat                                                                                                                                                                                                                                                                                                                               |
| <b>Reactivity Notes</b> | Please note that this antibody is reactive to Mouse and derived from the same host, Mouse. Mouse-On-Mouse blocking reagent may be needed for IHC and ICC experiments to reduce high background signal. You can find these reagents under catalog numbers PK-2200-NB and MP-2400-NB. Please contact Technical Support if you have any questions. |
| <b>Immunogen</b>        | Full-length protein expressed in 293T cell transfected with human MAP2K2 expression vector                                                                                                                                                                                                                                                      |

**Product Application Details**

|                              |                                                                        |
|------------------------------|------------------------------------------------------------------------|
| <b>Applications</b>          | Western Blot, Flow Cytometry, Immunohistochemistry                     |
| <b>Recommended Dilutions</b> | Western Blot, Flow Cytometry, Immunohistochemistry                     |
| <b>Application Notes</b>     | Optimal dilution of this antibody should be experimentally determined. |
