| Clonality                   | Monoclonal                                                                                                                                                                     |
| Clone                       | OTI1B3                                                                                                                                                                         |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                             |
| Isotype                     | IgG2a                                                                                                                                                                          |
| Conjugate                   | DyLight 594                                                                                                                                                                    |
| Purity                      | Immunogen affinity purified                                                                                                                                                    |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                             |
| Target Molecular Weight     | 56.7 kDa                                                                                                                                                                       |
| Product Description         |                                                                                                                                                                                |
| Host                        | Mouse                                                                                                                                                                          |
| Gene ID                     | 11035                                                                                                                                                                          |
| Gene Symbol                 | RIPK3                                                                                                                                                                          |
| Species                     | Human                                                                                                                                                                          |
| Immunogen                   | RIPK3/RIP3 Antibody (OTI1B3) [DyLight 594] was made to a recombinant protein fragment corresponding to amino acids 233-518 of human RIPK3/RIP3 (NP_006862) produced in E.coli. |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                              |
| Product Application Details |                                                                                                                                                                                |
| Applications                | Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                            |
| Recommended Dilutions       | Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                         |
