IL-10 Antibody (JES3-9D7) [mFluor Violet 500 SE]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | JES3-9D7                                                                                    |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1 Kappa                                                                                  |
| Conjugate           | mFluor Violet 500 SE                                                                        |
| Purity              | Protein G purified                                                                          |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                                                                                                                                                       |
|-------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Rat                                                                                                                                                                                                                                   |
| Gene ID                 | 3586                                                                                                                                                                                                                                  |
| Gene Symbol             | IL10                                                                                                                                                                                                                                  |
| Species                 | Human, Cynomolgus Monkey, Rhesus Macaque, Virus                                                                                                                                                                                       |
| Reactivity Notes        | Reacts with sooty mangabey ( <i>Cercocebus atys</i> ).                                                                                                                                                                                |
| Specificity/Sensitivity | Human/Viral/Rhesus/Cynomolgus/Sooty Mangabey IL-10                                                                                                                                                                                    |
| Immunogen               | COS-expressed human IL-10                                                                                                                                                                                                             |
| Notes                   | mFluor(TM) is a trademark of AAT Bioquest, Inc. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet. |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, ELISA, ELISA Capture (Matched Antibody Pair)             |
| Recommended Dilutions       | Western Blot, ELISA, ELISA Capture (Matched Antibody Pair)             |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
