**NBP2-77451F****Aminopeptidase N/CD13 Antibody [FITC]****Product Information**

|                      |                                                                                             |
|----------------------|---------------------------------------------------------------------------------------------|
| <b>Unit Size</b>     | 0.1 ml                                                                                      |
| <b>Concentration</b> | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>       | Store at 4C in the dark.                                                                    |
| <b>Clonality</b>     | Polyclonal                                                                                  |
| <b>Preservative</b>  | 0.05% Sodium Azide                                                                          |
| <b>Conjugate</b>     | FITC                                                                                        |
| <b>Purity</b>        | Immunogen affinity purified                                                                 |
| <b>Buffer</b>        | PBS                                                                                         |

**Product Description**

|                    |                                                                              |
|--------------------|------------------------------------------------------------------------------|
| <b>Host</b>        | Rabbit                                                                       |
| <b>Gene ID</b>     | 290                                                                          |
| <b>Gene Symbol</b> | ANPEP                                                                        |
| <b>Species</b>     | Human, Mouse, Rat                                                            |
| <b>Immunogen</b>   | Partial recombinant mouse CD13 protein (amino acids 69-966) [UniProt P97449] |

**Product Application Details**

|                              |                                                                                   |
|------------------------------|-----------------------------------------------------------------------------------|
| <b>Applications</b>          | Western Blot, Flow Cytometry, Immunohistochemistry, Immunohistochemistry-Paraffin |
| <b>Recommended Dilutions</b> | Western Blot, Flow Cytometry, Immunohistochemistry, Immunohistochemistry-Paraffin |
| <b>Application Notes</b>     | Optimal dilution of this antibody should be experimentally determined.            |

**Images**

Aminopeptidase N/CD13 Antibody [FITC] [NBP2-77451F] - Vial of FITC conjugated antibody. FITC is optimally excited at 498 nm by the Blue laser (488 nm) and has an emission maximum of 519 nm.
