| <b>Product Information</b> |                                                                                                                       |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------|
| <b>Unit Size</b>           | 15 Plates                                                                                                             |
| <b>Concentration</b>       | Concentration of individual antibodies may be found on the vial label. If unlisted please contact technical services. |
| <b>Storage</b>             | Storage of components varies. See protocol for specific instructions.                                                 |
| <b>Conjugate</b>           | HRP                                                                                                                   |

| <b>Product Description</b>     |                                                                                                        |
|--------------------------------|--------------------------------------------------------------------------------------------------------|
| <b>Description</b>             | Solid Phase sandwich ELISA for the quantitative determination of Cynomolgus Monkey CD200R1.            |
| <b>Gene Symbol</b>             | CD200R1                                                                                                |
| <b>Species</b>                 | Cynomolgus Monkey                                                                                      |
| <b>Specificity/Sensitivity</b> | This solid phase sandwich ELISA utilizes a monoclonal antibody specific for Cynomolgus Monkey CD200R1. |
| <b>Kit Components</b>          | Capture Antibody, Detection Antibody, Standard                                                         |
| <b>Standard Curve Range</b>    | 62.5-4000 pg/ml (example only; lot dependent)                                                          |
| <b>Sensitivity</b>             | 62.5 pg/ml (example only; lot dependent)                                                               |
| <b>Assay Type</b>              | Sandwich ELISA                                                                                         |
| <b>Sample Volume</b>           | 100 ul                                                                                                 |

| <b>Product Application Details</b> |                       |
|------------------------------------|-----------------------|
| <b>Applications</b>                | ELISA, Sandwich ELISA |
| <b>Recommended Dilutions</b>       | ELISA, Sandwich ELISA |

**Images**

Sandwich ELISA: CD200R1 Antibody Pair [HRP] [NBP2-79623] - This standard curve is only for demonstration purposes. A standard curve should be generated for each assay.
