**NBP2-79659-15Plates**

Fc gamma RIII (CD16) Antibody Pair [HRP]

**Product Information**

|                      |                                                                                                                       |
|----------------------|-----------------------------------------------------------------------------------------------------------------------|
| <b>Unit Size</b>     | 15 Plates                                                                                                             |
| <b>Concentration</b> | Concentration of individual antibodies may be found on the vial label. If unlisted please contact technical services. |
| <b>Storage</b>       | Storage of components varies. See protocol for specific instructions.                                                 |
| <b>Conjugate</b>     | HRP                                                                                                                   |

**Product Description**

|                                |                                                                                                                  |
|--------------------------------|------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>             | Solid Phase sandwich ELISA for the quantitative determination of Rhesus Macaque Fc gamma RIII (CD16).            |
| <b>Gene Symbol</b>             | FCGR3A                                                                                                           |
| <b>Species</b>                 | Rhesus Macaque                                                                                                   |
| <b>Specificity/Sensitivity</b> | This solid phase sandwich ELISA utilizes a monoclonal antibody specific for Rhesus Macaque Fc gamma RIII (CD16). |
| <b>Kit Components</b>          | Capture Antibody, Detection Antibody, Standard                                                                   |
| <b>Standard Curve Range</b>    | 12.5-800 pg/ml (example only; lot dependent)                                                                     |
| <b>Sensitivity</b>             | 12.5 pg/ml (example only; lot dependent)                                                                         |
| <b>Assay Type</b>              | Sandwich ELISA                                                                                                   |
| <b>Sample Volume</b>           | 100 ul                                                                                                           |

**Product Application Details**

|                              |                       |
|------------------------------|-----------------------|
| <b>Applications</b>          | ELISA, Sandwich ELISA |
| <b>Recommended Dilutions</b> | ELISA, Sandwich ELISA |

**Images**

Sandwich ELISA: Fc gamma RIII (CD16) Antibody Pair [HRP] [NBP2-79659] - This standard curve is only for demonstration purposes. A standard curve should be generated for each assay.
