**NBP2-79933G**

Uroplakin Ib Antibody (UPK1B/3081) [DyLight 488]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | UPK1B/3081                                                                                  |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2b Kappa                                                                                 |
| Conjugate           | DyLight 488                                                                                 |
| Purity              | Protein A or G purified                                                                     |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description |                                                                                                                                  |
|---------------------|----------------------------------------------------------------------------------------------------------------------------------|
| Host                | Mouse                                                                                                                            |
| Gene ID             | 7348                                                                                                                             |
| Gene Symbol         | UPK1B                                                                                                                            |
| Species             | Human                                                                                                                            |
| Marker              | Urothelial Differentiation Marker                                                                                                |
| Immunogen           | Recombinant fragment (around aa 109-229) of human Uroplakin Ib (UPK1B) protein (exact sequence is proprietary) (Uniprot: O75841) |
| Notes               | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                |

| Product Application Details |                                                                           |
|-----------------------------|---------------------------------------------------------------------------|
| Applications                | ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin, Protein Array |
| Recommended Dilutions       | ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin, Protein Array |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.    |
