TRAILR4/TNFRSF10D/DcR2 Antibody (HS402) [Janelia Fluor® 669]

| Product Information         |                                                                                                    |
|-----------------------------|----------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                             |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.        |
| Storage                     | Store at 4C in the dark.                                                                           |
| Clonality                   | Monoclonal                                                                                         |
| Clone                       | HS402                                                                                              |
| Preservative                | 0.05% Sodium Azide                                                                                 |
| Isotype                     | IgG1                                                                                               |
| Conjugate                   | Janelia Fluor 669                                                                                  |
| Purity                      | Protein G purified                                                                                 |
| Buffer                      | 50mM Sodium Borate                                                                                 |
| Product Description         |                                                                                                    |
| Host                        | Mouse                                                                                              |
| Gene ID                     | 8793                                                                                               |
| Gene Symbol                 | TNFRSF10D                                                                                          |
| Species                     | Human                                                                                              |
| Specificity/Sensitivity     | Recognizes human TRAILR4/TNFRSF10D/DcR2. Does not cross-react with human TRAIL-R1, -R2 or -R3.     |
| Immunogen                   | Recombinant human TRAILR4/TNFRSF10D/DcR2 (DcR2).                                                   |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.              |
| Product Application Details |                                                                                                    |
| Applications                | Flow Cytometry, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry, Immunoprecipitation |
| Recommended Dilutions       | Flow Cytometry, Immunohistochemistry, Immunocytochemistry/ Immunofluorescence, Immunoprecipitation |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                             |
