F4/80 Antibody (Cl:A3-1 (recombinant version)) [Janelia Fluor® 669]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | Cl:A3-1 (recombinant version)                                                               |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2b Kappa                                                                                 |
| Conjugate           | Janelia Fluor 669                                                                           |
| Purity              | Protein A purified                                                                          |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description |                                                                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------------------------------------------------------|
| Host                | Rat                                                                                                                                         |
| Gene ID             | 13733                                                                                                                                       |
| Gene Symbol         | Adgre1                                                                                                                                      |
| Species             | Mouse                                                                                                                                       |
| Immunogen           | This F4/80 Antibody (Cl:A3-1 (recombinant version)) was developed against Thioglycollate stimulated peritoneal macrophages of mouse origin. |
| Notes               | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                       |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Flow Cytometry, Immunohistochemistry                                   |
| Recommended Dilutions       | Flow Cytometry, Immunohistochemistry                                   |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
