**NBP2-81094F**

Transferrin Antibody (TW4.20) [FITC]

| Product Information         |                                                                                               |
|-----------------------------|-----------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                        |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.   |
| Storage                     | Store at 4C in the dark.                                                                      |
| Clonality                   | Monoclonal                                                                                    |
| Clone                       | TW4.20                                                                                        |
| Preservative                | 0.05% Sodium Azide                                                                            |
| Isotype                     | IgG Kappa                                                                                     |
| Conjugate                   | FITC                                                                                          |
| Purity                      | Protein A purified                                                                            |
| Buffer                      | PBS                                                                                           |
| Product Description         |                                                                                               |
| Host                        | Rabbit                                                                                        |
| Gene ID                     | 7018                                                                                          |
| Gene Symbol                 | TF                                                                                            |
| Species                     | Human                                                                                         |
| Specificity/Sensitivity     | Binds to the N-terminal domain of human transferrin.                                          |
| Immunogen                   | Iron-free purified human transferrin.                                                         |
| Product Application Details |                                                                                               |
| Applications                | Western Blot, ELISA, Flow Cytometry, Immunocytochemistry/Immunofluorescence, Block/Neutralize |
| Recommended Dilutions       | Western Blot, Flow Cytometry, ELISA, Immunocytochemistry/Immunofluorescence, Block/Neutralize |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                        |
