CRISPR-Cas9 Antibody (6H4) [DyLight 680]

| Product Information         |                                                                                                                                                               |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                        |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                   |
| Storage                     | Store at 4C in the dark.                                                                                                                                      |
| Clonality                   | Monoclonal                                                                                                                                                    |
| Clone                       | 6H4                                                                                                                                                           |
| Preservative                | 0.05% Sodium Azide                                                                                                                                            |
| Conjugate                   | DyLight 680                                                                                                                                                   |
| Purity                      | Protein A or G purified                                                                                                                                       |
| Buffer                      | 50mM Sodium Borate                                                                                                                                            |
| Product Description         |                                                                                                                                                               |
| Host                        | Mouse                                                                                                                                                         |
| Gene ID                     | 901176                                                                                                                                                        |
| Species                     | Bacteria                                                                                                                                                      |
| Immunogen                   | This CRISPR-Cas9 antibody (6H4) was raised against partial recombinant protein made to an N terminal portion of the Staphylococcus aureus CRISPR/Cas9 protein |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                             |
| Product Application Details |                                                                                                                                                               |
| Applications                | Western Blot, Immunocytochemistry/ Immunofluorescence, Immunoprecipitation                                                                                    |
| Recommended Dilutions       | Western Blot, Immunocytochemistry/ Immunofluorescence, Immunoprecipitation                                                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                        |
