| Clone                       | C11L34                                                                                                                                                            |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                |
| Isotype                     | IgG Lambda                                                                                                                                                        |
| Conjugate                   | Biotin                                                                                                                                                            |
| Purity                      | Protein A purified                                                                                                                                                |
| Buffer                      | PBS                                                                                                                                                               |
| Product Description         |                                                                                                                                                                   |
| Host                        | Rabbit                                                                                                                                                            |
| Gene ID                     | 856709                                                                                                                                                            |
| Gene Symbol                 | GCN4                                                                                                                                                              |
| Species                     | Yeast                                                                                                                                                             |
| Reactivity Notes            | Expected to react with <i>Saccharomyces cerevisiae</i> .                                                                                                          |
| Specificity/Sensitivity     | This antibody binds to the HLENEVARLKK peptide from the leucine-zipper domain of the <i>S. cerevisiae</i> GCN4 transcriptional activator with picomolar affinity. |
| Immunogen                   | Biotinylated GCN4-peptide (HLENEVARLKK).                                                                                                                          |
| Product Application Details |                                                                                                                                                                   |
| Applications                | Western Blot, Immunocytochemistry/ Immunofluorescence, Immunoprecipitation, Surface Plasmon Resonance                                                             |
| Recommended Dilutions       | Western Blot, Immunocytochemistry/ Immunofluorescence, Immunoprecipitation, Surface Plasmon Resonance                                                             |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                            |
