| Clonality                   | Polyclonal                                                                                                                                                                                                             |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                     |
| Isotype                     | IgG                                                                                                                                                                                                                    |
| Conjugate                   | DyLight 680                                                                                                                                                                                                            |
| Purity                      | Peptide affinity purified                                                                                                                                                                                              |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                                     |
| Product Description         |                                                                                                                                                                                                                        |
| Host                        | Rabbit                                                                                                                                                                                                                 |
| Gene ID                     | 28952                                                                                                                                                                                                                  |
| Gene Symbol                 | CCDC22                                                                                                                                                                                                                 |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                                      |
| Reactivity Notes            | 0                                                                                                                                                                                                                      |
| Specificity/Sensitivity     | At least three isoforms of CCDC22 are known to exist; this antibody will detect the two largest isoforms.                                                                                                              |
| Immunogen                   | CCDC22 antibody was raised against an 18 amino acid synthetic peptide near the amino terminus of human CCDC22. The immunogen is located within amino acids 530 - 580 of CCDC22. Amino Acid Sequence: FKDAKKDDAVRKAYKYL |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                      |
| Product Application Details |                                                                                                                                                                                                                        |
| Applications                | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence                                                                                                                                                            |
| Recommended Dilutions       | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence                                                                                                                                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                 |
