| Clonality                   | Polyclonal                                                                                                                                                                                             |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                     |
| Isotype                     | IgG                                                                                                                                                                                                    |
| Conjugate                   | Janelia Fluor 669                                                                                                                                                                                      |
| Purity                      | Peptide affinity purified                                                                                                                                                                              |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                     |
| Product Description         |                                                                                                                                                                                                        |
| Host                        | Rabbit                                                                                                                                                                                                 |
| Gene ID                     | 120237                                                                                                                                                                                                 |
| Gene Symbol                 | DBX1                                                                                                                                                                                                   |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                      |
| Reactivity Notes            | Immunogen displays the following percentage of sequence identity for non-tested species: Bovine: (87%)                                                                                                 |
| Specificity/Sensitivity     | DBX1 antibody is predicted to not cross-react with other DBX protein family members                                                                                                                    |
| Immunogen                   | DBX1 antibody was raised against a 15 amino acid synthetic peptide near the center of human DBX1. The immunogen is located within amino acids 100 - 150 of DBX1. Amino Acid Sequence: AAILSSGPRTETSPAL |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                                  |
| Product Application Details |                                                                                                                                                                                                        |
| Applications                | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                      |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry-Paraffin                                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                 |
