| Clonality                   | Polyclonal                                                                                                                                                                                                             |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                     |
| Isotype                     | IgG                                                                                                                                                                                                                    |
| Conjugate                   | PerCP                                                                                                                                                                                                                  |
| Purity                      | Peptide affinity purified                                                                                                                                                                                              |
| Buffer                      | PBS                                                                                                                                                                                                                    |
| Product Description         |                                                                                                                                                                                                                        |
| Host                        | Rabbit                                                                                                                                                                                                                 |
| Gene ID                     | 51001                                                                                                                                                                                                                  |
| Gene Symbol                 | MTERF3                                                                                                                                                                                                                 |
| Species                     | Human, Mouse                                                                                                                                                                                                           |
| Reactivity Notes            | Immunogen displays the following percentage of sequence identity for non-tested species: Rat: (88%), Chicken: (88%)                                                                                                    |
| Specificity/Sensitivity     | At least three isoforms of MTERFD1 are known to exist. MTERFD1 antibody is predicted to not cross-react with other MTERFD protein family members.                                                                      |
| Immunogen                   | MTERFD1 antibody was raised against a 17 amino acid peptide near the carboxy terminus of human MTERFD1 . The immunogen is located within the last 50 amino acids of MTERFD1. Amino Acid Sequence:<br>LGRAQYDPAKPNYISLD |
| Product Application Details |                                                                                                                                                                                                                        |
| Applications                | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence                                                                                                                                                            |
| Recommended Dilutions       | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence                                                                                                                                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                 |
