| Clonality                   | Polyclonal                                                                                                                                                                                         |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                 |
| Isotype                     | IgG                                                                                                                                                                                                |
| Conjugate                   | Janelia Fluor 585                                                                                                                                                                                  |
| Purity                      | Peptide affinity purified                                                                                                                                                                          |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                 |
| Product Description         |                                                                                                                                                                                                    |
| Host                        | Rabbit                                                                                                                                                                                             |
| Gene ID                     | 11047                                                                                                                                                                                              |
| Gene Symbol                 | ADRM1                                                                                                                                                                                              |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                  |
| Specificity/Sensitivity     | ADRM1 antibody is human, mouse and rat reactive. At least two isoforms of ADRM1 are known to exist; this antibody will detect both isoforms.                                                       |
| Immunogen                   | ADRM1 antibody was raised against a 19 amino acid peptide near the center of human ADRM1. The immunogen is located within amino acids 210 - 260 of ADRM1. Amino Acid Sequence: TPSSTTSSTRATPAPSAPA |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                              |
| Product Application Details |                                                                                                                                                                                                    |
| Applications                | Western Blot, ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                           |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                             |
