| Clonality                   | Polyclonal                                                                                                                                                                                                     |
| Preservative                | No Preservative                                                                                                                                                                                                |
| Isotype                     | IgG                                                                                                                                                                                                            |
| Conjugate                   | HRP                                                                                                                                                                                                            |
| Purity                      | Peptide affinity purified                                                                                                                                                                                      |
| Buffer                      | PBS                                                                                                                                                                                                            |
| Product Description         |                                                                                                                                                                                                                |
| Host                        | Rabbit                                                                                                                                                                                                         |
| Gene ID                     | 57463                                                                                                                                                                                                          |
| Gene Symbol                 | AMIGO1                                                                                                                                                                                                         |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                              |
| Reactivity Notes            | 0                                                                                                                                                                                                              |
| Specificity/Sensitivity     | AMIGO1 antibody is human, mouse, and rat reactive. AMIGO1 antibody is predicted to not cross-react with AMIGO2 or AMIGO3.                                                                                      |
| Immunogen                   | AMIGO antibody was raised against a 19 amino acid peptide near the carboxy terminus of human AMIGO. The immunogen is located within the last 50 amino acids of AMIGO. Amino Acid Sequence: AGPGQGQNGKLKPGNTLPV |
| Product Application Details |                                                                                                                                                                                                                |
| Applications                | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                               |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin                                                                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                         |
