| Clonality                   | Polyclonal                                                                                                                                                                                                 |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                         |
| Isotype                     | IgG                                                                                                                                                                                                        |
| Conjugate                   | PE                                                                                                                                                                                                         |
| Purity                      | Peptide affinity purified                                                                                                                                                                                  |
| Buffer                      | PBS                                                                                                                                                                                                        |
| Product Description         |                                                                                                                                                                                                            |
| Host                        | Rabbit                                                                                                                                                                                                     |
| Gene ID                     | 129049                                                                                                                                                                                                     |
| Gene Symbol                 | SGSM1                                                                                                                                                                                                      |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                          |
| Specificity/Sensitivity     | At least four isoforms of SGSM1 are known to exist; SGSM1 antibody will detect all four isoforms.                                                                                                          |
| Immunogen                   | SGSM1 antibody was raised against a 17 amino acid synthetic peptide near the center of human SGSM1. The immunogen is located within amino acids 480 - 530 of SGSM1. Amino Acid Sequence: SVSNLPSLWQPSPRKSS |
| Product Application Details |                                                                                                                                                                                                            |
| Applications                | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence                                                                                                                                               |
| Recommended Dilutions       | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence                                                                                                                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                     |
