| Clonality                   | Polyclonal                                                                                                                                                                                                            |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                    |
| Isotype                     | IgG                                                                                                                                                                                                                   |
| Conjugate                   | Biotin                                                                                                                                                                                                                |
| Purity                      | Peptide affinity purified                                                                                                                                                                                             |
| Buffer                      | PBS                                                                                                                                                                                                                   |
| Product Description         |                                                                                                                                                                                                                       |
| Host                        | Rabbit                                                                                                                                                                                                                |
| Gene ID                     | 9538                                                                                                                                                                                                                  |
| Gene Symbol                 | EI24                                                                                                                                                                                                                  |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                                     |
| Reactivity Notes            | 0                                                                                                                                                                                                                     |
| Specificity/Sensitivity     | At least two isoforms of EI24 are known to exist; this antibody will only detect the larger isoform.                                                                                                                  |
| Immunogen                   | EI24 antibody was raised against a 19 amino acid synthetic peptide near the carboxy terminus of human EI24. The immunogen is located within the last 50 amino acids of EI24. Amino Acid Sequence: STSAEKFPSPHPSPAKLKA |
| Product Application Details |                                                                                                                                                                                                                       |
| Applications                | Western Blot, ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                                              |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                                              |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                |
