| Conjugate                   | PE                                                                                                                                                                                                          |
| Purity                      | Peptide affinity purified                                                                                                                                                                                   |
| Buffer                      | PBS                                                                                                                                                                                                         |
| Product Description         |                                                                                                                                                                                                             |
| Host                        | Rabbit                                                                                                                                                                                                      |
| Gene ID                     | 122060                                                                                                                                                                                                      |
| Gene Symbol                 | SLAIN1                                                                                                                                                                                                      |
| Species                     | Human                                                                                                                                                                                                       |
| Specificity/Sensitivity     | At least three isoforms of SLAIN1 are known to exist; this antibody will detect only the largest isoform. SLAIN1 antibody is predicted not to cross-react with SLAIN2.                                      |
| Immunogen                   | SLAIN1 antibody was raised against a 16 amino acid synthetic peptide near the center of human SLAIN1. The immunogen is located within amino acids 370 - 420 of SLAIN1. Amino Acid Sequence: AQTPDQQPNRTNGDK |
| Product Application Details |                                                                                                                                                                                                             |
| Applications                | Immunohistochemistry-Paraffin, ELISA, Immunohistochemistry                                                                                                                                                  |
| Recommended Dilutions       | ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                      |
