| Clonality                   | Polyclonal                                                                                                                                                                                                          |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                  |
| Isotype                     | IgG                                                                                                                                                                                                                 |
| Conjugate                   | FITC                                                                                                                                                                                                                |
| Purity                      | Peptide affinity purified                                                                                                                                                                                           |
| Buffer                      | PBS                                                                                                                                                                                                                 |
| Product Description         |                                                                                                                                                                                                                     |
| Host                        | Rabbit                                                                                                                                                                                                              |
| Gene ID                     | 3841                                                                                                                                                                                                                |
| Gene Symbol                 | KPNA5                                                                                                                                                                                                               |
| Species                     | Human, Mouse                                                                                                                                                                                                        |
| Reactivity Notes            | 0                                                                                                                                                                                                                   |
| Specificity/Sensitivity     | KPNA5 antibody is predicted to not cross-react with other Importin alpha family members.                                                                                                                            |
| Immunogen                   | KPNA5 antibody was raised against an 18 amino acid synthetic peptide near the amino terminus of human KPNA5. The immunogen is located within amino acids 50 - 100 of KPNA5. Amino Acid Sequence: LESPIQDPDISSTVPIPE |
| Product Application Details |                                                                                                                                                                                                                     |
| Applications                | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence                                                                                                                                                         |
| Recommended Dilutions       | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence                                                                                                                                                         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                              |
