| Clonality                   | Polyclonal                                                                                                                                                                                                              |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                      |
| Isotype                     | IgG                                                                                                                                                                                                                     |
| Conjugate                   | PerCP                                                                                                                                                                                                                   |
| Purity                      | Peptide affinity purified                                                                                                                                                                                               |
| Buffer                      | PBS                                                                                                                                                                                                                     |
| Product Description         |                                                                                                                                                                                                                         |
| Host                        | Rabbit                                                                                                                                                                                                                  |
| Gene ID                     | 129787                                                                                                                                                                                                                  |
| Gene Symbol                 | TMEM18                                                                                                                                                                                                                  |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                                       |
| Immunogen                   | TMEM18 antibody was raised against a 15 amino acid synthetic peptide near the carboxy terminus of human TMEM18. The immunogen is located within the last 50 amino acids of TMEM18. Amino Acid Sequence: TDLKNAQERRKEKKR |
| Product Application Details |                                                                                                                                                                                                                         |
| Applications                | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                        |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin                                                                                                        |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                  |
