| Conjugate                   | Janelia Fluor 635                                                                                                                                                                                        |
| Purity                      | Peptide affinity purified                                                                                                                                                                                |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                       |
| Product Description         |                                                                                                                                                                                                          |
| Host                        | Rabbit                                                                                                                                                                                                   |
| Gene ID                     | 56262                                                                                                                                                                                                    |
| Gene Symbol                 | LRRC8A                                                                                                                                                                                                   |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                        |
| Immunogen                   | LRRC8A antibody was raised against a 15 amino acid peptide near the amino terminus of human LRRC8A. The immunogen is located within amino acids 60 - 110 of LRRC8A. Amino Acid Sequence: WAAPGPEPTYPNSTI |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                                    |
| Product Application Details |                                                                                                                                                                                                          |
| Applications                | Western Blot, ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                                 |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                                 |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                   |
