| Clonality                   | Polyclonal                                                                                                                                                                                                             |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                     |
| Isotype                     | IgG                                                                                                                                                                                                                    |
| Conjugate                   | Janelia Fluor 646                                                                                                                                                                                                      |
| Purity                      | Peptide affinity purified                                                                                                                                                                                              |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                                     |
| Product Description         |                                                                                                                                                                                                                        |
| Host                        | Rabbit                                                                                                                                                                                                                 |
| Gene ID                     | 79001                                                                                                                                                                                                                  |
| Gene Symbol                 | VKORC1                                                                                                                                                                                                                 |
| Species                     | Human, Mouse                                                                                                                                                                                                           |
| Reactivity Notes            | Immunogen displays the following percentage of sequence identity for non-tested species: Rat: (87%)                                                                                                                    |
| Immunogen                   | VKORC1 antibody was raised against a 15 amino acid synthetic peptide near the amino terminus of human VKORC1. The immunogen is located within the first 50 amino acids of VKORC1. Amino Acid Sequence: HVKAARARDRDYRAL |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                                                  |
| Product Application Details |                                                                                                                                                                                                                        |
| Applications                | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                       |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin                                                                                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                 |
