| Storage                     | Store at 4C in the dark.                                                                                                                                                                               |
| Clonality                   | Polyclonal                                                                                                                                                                                             |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                     |
| Isotype                     | IgG                                                                                                                                                                                                    |
| Conjugate                   | Allophycocyanin                                                                                                                                                                                        |
| Purity                      | Peptide affinity purified                                                                                                                                                                              |
| Buffer                      | PBS                                                                                                                                                                                                    |
| Product Description         |                                                                                                                                                                                                        |
| Host                        | Rabbit                                                                                                                                                                                                 |
| Gene ID                     | 55113                                                                                                                                                                                                  |
| Gene Symbol                 | XKR8                                                                                                                                                                                                   |
| Species                     | Human                                                                                                                                                                                                  |
| Specificity/Sensitivity     | XKR8 antibody is human reactive. At least two isoforms are known to exist; this antibody will detect both isoforms.                                                                                    |
| Immunogen                   | XKR8 antibody was raised against a 15 amino acid peptide near the carboxy terminus of human XKR8. The immunogen is located within the last 50 amino acids of XKR8. Amino Acid Sequence: WKPDPDQVDGARSL |
| Product Application Details |                                                                                                                                                                                                        |
| Applications                | Western Blot, Immunohistochemistry-Paraffin, ELISA, Immunocytochemistry/Immunofluorescence, Immunohistochemistry                                                                                       |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin                                                                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                 |
