TRIM58 Antibody [Janelia Fluor® 646]

| Product Information         |                                                                                                                                                                |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                         |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                    |
| Storage                     | Store at 4C in the dark.                                                                                                                                       |
| Clonality                   | Polyclonal                                                                                                                                                     |
| Preservative                | 0.05% Sodium Azide                                                                                                                                             |
| Isotype                     | IgG                                                                                                                                                            |
| Conjugate                   | Janelia Fluor 646                                                                                                                                              |
| Purity                      | Peptide affinity purified                                                                                                                                      |
| Buffer                      | 50mM Sodium Borate                                                                                                                                             |
| Product Description         |                                                                                                                                                                |
| Host                        | Rabbit                                                                                                                                                         |
| Gene ID                     | 25893                                                                                                                                                          |
| Gene Symbol                 | TRIM58                                                                                                                                                         |
| Species                     | Human, Mouse, Rat                                                                                                                                              |
| Reactivity Notes            | 0                                                                                                                                                              |
| Immunogen                   | TRIM58 antibody was raised against a peptide corresponding to 17 amino acids near the carboxy terminus of human TRIM58. Amino Acid Sequence: DTLPRKGETTPSPENGV |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                          |
| Product Application Details |                                                                                                                                                                |
| Applications                | Western Blot, ELISA                                                                                                                                            |
| Recommended Dilutions       | Western Blot, ELISA                                                                                                                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                         |
