VNN3 Antibody [FITC]

| Product Information         |                                                                                                                                                                                                                       |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                                                                                |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                                                                           |
| Storage                     | Store at 4C in the dark.                                                                                                                                                                                              |
| Clonality                   | Polyclonal                                                                                                                                                                                                            |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                    |
| Isotype                     | IgG                                                                                                                                                                                                                   |
| Conjugate                   | FITC                                                                                                                                                                                                                  |
| Purity                      | Peptide affinity purified                                                                                                                                                                                             |
| Buffer                      | PBS                                                                                                                                                                                                                   |
| Product Description         |                                                                                                                                                                                                                       |
| Host                        | Rabbit                                                                                                                                                                                                                |
| Gene ID                     | 55350                                                                                                                                                                                                                 |
| Gene Symbol                 | VNN3                                                                                                                                                                                                                  |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                                     |
| Reactivity Notes            | 0                                                                                                                                                                                                                     |
| Specificity/Sensitivity     | Multiple isoforms of VNN3 are known to exist.                                                                                                                                                                         |
| Immunogen                   | VNN3 antibody was raised against a 19 amino acid synthetic peptide near the carboxy terminus of human VNN3. The immunogen is located within the last 50 amino acids of VNN3. Amino Acid Sequence: RHYEISRDGRLRSRSGAPL |
| Product Application Details |                                                                                                                                                                                                                       |
| Applications                | Western Blot, Immunohistochemistry-Paraffin, ELISA, Immunohistochemistry                                                                                                                                              |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                                              |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                |
