| Unit Size                   | 0.1 ml                                                                                                                                                                                                              |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                                                                         |
| Storage                     | Store at 4C in the dark.                                                                                                                                                                                            |
| Clonality                   | Polyclonal                                                                                                                                                                                                          |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                  |
| Isotype                     | IgG                                                                                                                                                                                                                 |
| Conjugate                   | PE                                                                                                                                                                                                                  |
| Purity                      | Peptide affinity purified                                                                                                                                                                                           |
| Buffer                      | PBS                                                                                                                                                                                                                 |
| Product Description         |                                                                                                                                                                                                                     |
| Host                        | Rabbit                                                                                                                                                                                                              |
| Gene ID                     | 54103                                                                                                                                                                                                               |
| Gene Symbol                 | PION                                                                                                                                                                                                                |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                                   |
| Specificity/Sensitivity     | Multiple isoforms of GSAP are known to exist. GSAP antibody is predicted to not cross-react with other F-box protein family members.                                                                                |
| Immunogen                   | GSAP antibody was raised against a 19 amino acid synthetic peptide near the carboxy terminus of human GSAP. The immunogen is located within amino acids 770 - 820 of GSAP. Amino Acid Sequence: RNHVTRLLQNYKKQPRNSM |
| Product Application Details |                                                                                                                                                                                                                     |
| Applications                | Western Blot, Immunohistochemistry-Paraffin, ELISA, Immunocytochemistry/Immunofluorescence, Immunohistochemistry                                                                                                    |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin                                                                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                              |
