| Clonality                   | Polyclonal                                                                                                                                                                                                             |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                     |
| Isotype                     | IgG                                                                                                                                                                                                                    |
| Conjugate                   | Janelia Fluor 525                                                                                                                                                                                                      |
| Purity                      | Peptide affinity purified                                                                                                                                                                                              |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                                     |
| Product Description         |                                                                                                                                                                                                                        |
| Host                        | Rabbit                                                                                                                                                                                                                 |
| Gene ID                     | 10312                                                                                                                                                                                                                  |
| Gene Symbol                 | TCIRG1                                                                                                                                                                                                                 |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                                      |
| Specificity/Sensitivity     | At least two alternatively spliced isoforms are known to exist; this antibody will only detect the larger isoform.                                                                                                     |
| Immunogen                   | TCIRG1 antibody was raised against a 19 amino acid synthetic peptide near the amino terminus of human TCIRG1. The immunogen is located within amino acids 70 - 120 of TCIRG1. Amino Acid Sequence: PPKGRLPAPPPRDLLRIQE |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                                                  |
| Product Application Details |                                                                                                                                                                                                                        |
| Applications                | Western Blot, ELISA                                                                                                                                                                                                    |
| Recommended Dilutions       | Western Blot, ELISA                                                                                                                                                                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                 |
