| Clonality                   | Polyclonal                                                                                                                                                                                                           |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                   |
| Isotype                     | IgG                                                                                                                                                                                                                  |
| Conjugate                   | DyLight 755                                                                                                                                                                                                          |
| Purity                      | Peptide affinity purified                                                                                                                                                                                            |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                                   |
| Product Description         |                                                                                                                                                                                                                      |
| Host                        | Rabbit                                                                                                                                                                                                               |
| Gene ID                     | 53822                                                                                                                                                                                                                |
| Gene Symbol                 | FXYP7                                                                                                                                                                                                                |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                                    |
| Reactivity Notes            | 0                                                                                                                                                                                                                    |
| Specificity/Sensitivity     | FXYP7 antibody is human, mouse and rat reactive. FXYP7 antibody is predicted to not react with other members of the FXYP7 protein family                                                                             |
| Immunogen                   | FXYP7 antibody was raised against a 17 amino acid synthetic peptide near the amino terminus of human FXYP7. The immunogen is located within the first 50 amino acids of FXYP7. Amino Acid Sequence: ATPTQTPTKAPEEDPF |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                    |
| Product Application Details |                                                                                                                                                                                                                      |
| Applications                | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                     |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin                                                                                                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                               |
