|--------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>             | Novus Biologicals Rabbit BICD2 Antibody - BSA Free (NBP2-81955) is a polyclonal antibody validated for use in WB and ELISA. All Novus Biologicals antibodies are covered by our 100% guarantee.                         |
| <b>Host</b>                    | Rabbit                                                                                                                                                                                                                  |
| <b>Gene ID</b>                 | 23299                                                                                                                                                                                                                   |
| <b>Gene Symbol</b>             | BICD2                                                                                                                                                                                                                   |
| <b>Species</b>                 | Human, Mouse, Rat                                                                                                                                                                                                       |
| <b>Specificity/Sensitivity</b> | This BICD2 antibody will not cross-react with BICD1.                                                                                                                                                                    |
| <b>Immunogen</b>               | BICD2 antibody was raised against a 13 amino acid synthetic peptide from near the carboxy terminus of human BICD2. The immunogen is located within the last 50 amino acids of BICD2. Amino Acid Sequence: AKAAPKTKPATPS |

**Product Application Details**

|                              |                               |
|------------------------------|-------------------------------|
| <b>Applications</b>          | Western Blot, ELISA           |
| <b>Recommended Dilutions</b> | Western Blot 1-2 ug/ml, ELISA |

**Images**
