| <b>Clonality</b>                   | Polyclonal                                                                                                                                                                                                              |
| <b>Preservative</b>                | 0.05% Sodium Azide                                                                                                                                                                                                      |
| <b>Isotype</b>                     | IgG                                                                                                                                                                                                                     |
| <b>Conjugate</b>                   | Allophycocyanin                                                                                                                                                                                                         |
| <b>Purity</b>                      | Peptide affinity purified                                                                                                                                                                                               |
| <b>Buffer</b>                      | PBS                                                                                                                                                                                                                     |
| <b>Product Description</b>         |                                                                                                                                                                                                                         |
| <b>Host</b>                        | Rabbit                                                                                                                                                                                                                  |
| <b>Gene ID</b>                     | 152789                                                                                                                                                                                                                  |
| <b>Gene Symbol</b>                 | JAKMIP1                                                                                                                                                                                                                 |
| <b>Species</b>                     | Human, Mouse, Rat                                                                                                                                                                                                       |
| <b>Specificity/Sensitivity</b>     | Multiple isoforms of JAKMIP1 are known to exist. JAKMIP1 antibody is predicted to not cross-react with JAKMIP2.                                                                                                         |
| <b>Immunogen</b>                   | Rabbit polyclonal JAKMIP1 antibody was raised against a 16 amino acid peptide near the center of human JAKMIP1. The immunogen is located within amino acids 260 - 310 of JAKMIP1. Amino Acid Sequence: ELMGVQDQHMDERDVR |
| <b>Product Application Details</b> |                                                                                                                                                                                                                         |
| <b>Applications</b>                | Western Blot, ELISA                                                                                                                                                                                                     |
| <b>Recommended Dilutions</b>       | Western Blot, ELISA                                                                                                                                                                                                     |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                  |
